Job No:J123   Job Type: Full time   Department: Physiotherapy
Position Profile

At Humber River Hospital the Allied Health team plays a pivotal role delivering diagnostic, technical, supportive and therapeutic patient care.

Right now we are looking for a Physiotherapist to work with our Allied Health Program. At Sesenbrenner Hospital, our Physiotherapists help our patients achieve their maximum range of movement and physical ability. Working with an interdisciplinary team Physiotherapists assist in optimizing the mobility of our patients in both inpatient and outpatient settings.
Reporting Relationship: Manager of Allied Health

Hourly Rate Range: $36.87 to $45.77

Location: Wilson Site. Some cross site coverage at the Reactivation Care Centres (Finch & Church sites) may be required as needed.

Hours of work: Available to work rotating shifts (Monday to Friday, Weekends & Statutory Holidays)

Feature: Patient account payment

Public Side

Patient Accounts

You may now pay your hospital bill online. Paying your bill by credit card is easier than ever.
Use our new secure web payment method. We offer 24 hour, 7 day/week service. You can pay your bill from your own computer without leaving home. You can print a payment receipt immediately. No more waiting on the phone for customer service. No more mailing payments.

NOTE: There will be a $2 handling fee charged by the Online Service Provider. This is not a hospital related fee. Thank you

Just click **Pay Bill Online** and follow the easy instructions.

We would appreciate your feedback regarding our service. Please send your comments to: AskFinance@hhsc.ca
